Subject: Third Street Reconstruction
Date: February 24, 2022

EDA #H-765E

Beginning on or about **Monday, February 28, 2022**, work shall commence for the above construction project. The construction will include roadway construction, new sidewalk, new curb, and some tree removals. Please remove all personal property from the right-of-way to allow the contractor to complete the improvements.

We anticipate substantial completion of the work by May 27, 2022. Please be advised that, during this period, there may be some inconveniences and your patience and cooperation will be appreciated.

If you should have any questions concerning this matter, please feel free to contact me during regular business hours at 609-390-0332.
